Sneezing Catarrh, Chronic Ca- MARKETS BY TELEGRAPH EDWARD A. BUDER tarrh, Ulcerative Catarrh, permanently cured by

> SANFORD'S RADICAL

> > CURE.

Sanford's Radical Cure for Cartarrh is a safe, certain, and permanent cure for catarrh of every form, and is the most berfet remedy ever devised. It is purely a vegetable distillation, and is applied locally by insuffiction, and constitutionally by insuffiction, and constitutionally by internal administration. Locally applied relief is instantaneous. It soothes, heals, and cleanses the nasal passages of every feeling of heaviness, obstruction, dullness or dizziness. Constitutionally administered it renovates the blood, purifies it of the acid poison with which it is always charged in catarrh, stimulates the stomach, liver and kidneys, perfects digestion, makes new blood, and permits the formation of sound, healthy tissue, and thaily obtains complete control over the disease. The remarkable carative powers, when all other remedies utterly fail, of Sandford's Radical Cure, are attested by thousands who gratefully recommend it to fellow sufferers. No statement is made regarding it that cannot be substantiated by the most respectable and reliable references. It is a great and good medicine, and worthy all confidence. Each package contains a teatise on catarrh and Dr. Sanford's Improved Inhailing Tube, and full directions for its use in all cases. Price \$1. Watchmaker & Jeweler Cairo, Ill. [Associated Press report.] MEMPHIS, Tenn., Aug. 25 .- The yellow fever record to-day shows a decrease in the number of new cases as compared with yesterday, there being sixty-one reported up to 6 P. M. The death list, however, the largest o' any day since the fever made its appearance, the undertakers reporting twenty-six interments for the same time. There is a scarcity of nurses and the Howard and other relief organizations have telegraphed to Mobile, Ala., and other points for them. Members of the different associations are doing noble work, in striking contrast to the action of a few people who have descried friends and relations in their distress. Instances are known of parents deserting their children and children parents. The wife and three children of a prominent citizen were taken with fever during his absence from the city. He was telegraphed for by the Howards and replied: "Take care of my family." His wife is dead, and to-day his children were conveyed to the city hospital where one since died. Gen. W. J. Smith is reported very Capt. John D. Elliott died at an low. early hour this morning. Alex. NEW ORLFANS. New Orleans, Aug. 25.—New cases of yellow fever, 163; deaths, 33.

Rev. Father Doyle, C. M., St. Joseph's church, died to-day of fever.

Dr. Stone returned to the city this afternoon from Port Eads. He reports to the Howard association that all the patients there except one or two are convalescent. One nurse remained and the other returned with Dr. Stone.

The fever has appeared at Bayou des Almo. In response to an appeal, there being no physician there, the Howard association sent Dr. O. J. Wolf to that point yesterday. GRENADA, Miss., Aug. 25.

PHILADELPHIA. Philadephia, Pa., Aug. 25.—Two cases of yellow fever were discovered last night. A young man called at the Pennsylvania hospital and inquired of the attending physician if two patients could be treated there. The doctor inquired the nature of the cases, and the applicant said he only knew there were two men stopping at 804 South street who had arrived Friday from Vicksburg and showed signs of fever. The doctor notified the authorities and health officers were immediately detailed to take the sick men to the municipal hospital. The house was then thoroughly disinfected, trunks of the fever-stricken and all clothing in the house taken away, and the neighborhood leansed. The health board say the cases have been discovered in good time, and there is no reason for alarm.

A VOYAGER FOUND DEAD IN BED WITH HIS THROAT CUT-DARING ATTEMPT AT BUR-

NEW YORK, AUGUST 25 .- This morning, about 7 o'clock, when the Boston steamer City of Lawrence arrived at her pier, No. 49, North River, a man who got on the boat at Alysus Point, Conn., last night and when he bought his ticket gave his name as Burrows, was found by one of the waiters dead in his berth with his throat cut. The deceased, who had undoubtedly committed suicide, was about 45 years of age, five feet seven inches in height, has brown hair and smooth face, and was dressed in a black coat, linen duster, white linen shirt, dark pants and scarlet-mixed vest. In his possession was found \$27 in money, a silver watch, a plain gold ring, a package of prusic acid and a pocket knife, with which he committed the deed. The Coroner has taken charge of the case, and will probably hold an inquest to-morrow.

Mr. Andrew Engel, a farmer who owns a house at Fairview, N. J., about ten miles from Jersey City, called at the police headquarters in this city this afternoon, and reported to Inspector McDermitt, that about 2 o'clock this morning four masked men forced an entrance to his house and commenced to ransack his premises. They entered Engel's bed-room, and after knocking him down with the butt-end of a pistol, hand-cuffed him and threatened to kill him if he raised an alarm. They then tied the hands of Mr. Engel's daughter, a young girl 12 years of age, and fastened her to a bedstead. After that they seized Mrs. Engel, and while holding the muzzle of a revolver to her head, compelled her to lead them through the house. Engel's son a young man about 23 years age, had been disturbed by the noise raised by the ruffi-ans, and when they reached his room, he seized a revolver and began firing upon them. The desparadoes, becoming alarmed, fled from the house, taking with them about \$100 in money and jewelry. It is supposed from marks of blood found on the stairs and in the yard that one or more of the burglars were shot. A general alarm was sent out in this city and Jersey to look for the desparadoes.
